DEDUCTION DEFINITIONS

OOB- Deductions will be taken every time a part of a member touches out of marked area of performance floor.
Minor Safety- These deductions pertain to infractions of safety rules that do not apply, specifically, to stunting (i.e. signs, jewelry, props, etc.)
Major Safety- These deductions pertain to infractions of safety rules involving stunting. (i.e. skills performed out of rullings, etc.)

Bobble - Any stunt, pyramid, toss that deviates for a moment of time, from what the stunt is originally supposed to be.
Fall - Any stunt, pyramid, toss that deviates from it's original position to the point that it comes out of the air.
Misses - Stunts that don't make it up, missing part of a series/sequence, or portion of a pyramid. This will be judged in performance by regular judges and not as a part of deductions.

Tumbling Bobble - Any form of a tumbling skill that is performed in error resulting in a "balance check" (i.e. touchdowns, step).
Tumbling Fall - Any form of a tumbling skill that is performed in error, thus deviating from intended position(s) (i.e. landing on knees/elbows).

Deductions will be taken in the area of stunts, pyramids, tosses and tumbling. These deductions are up to the discretion of and are to be ruled by the competition's safety judge.
