## MUSIC, MOVES and DRESS POLICIES AND GUIDELINES

*ANY Violation of these rules will result in DISQUALIFICATION without a refund. Violations will be judged by competition director(s). If you have any question about any music meeting these standards, you should send the music to [music@cheercca.com](mailto:music@cheercca.com) a month ahead of the competition event to have it approved. This is not required but violations discovered at the event can result in disqualification without a refund, or team allowed to compete by using verbal counts only. This form must be signed by coaches and/or program director.*

### MUSIC

All words/phrases should be **positive** and **uplifting**, not negative, degrading or mocking to other teams/schools. They should not be "slashing" and unsportsmanlike. **No degrading words that undermine authority (police, parental, political, etc)**, glorify or legitimize illegal substance, drugs, or activities. This also includes legal substances such as tobacco and alcohol. **No sexual references** or innuendos. No lewd, suggestive words (or gestures) or specific references to private parts. Nothing representative of the drug or gang culture allowed. No references to violence, murder, etc. No violent screams. ***Special attention is required to be sure that God, Jesus Christ or Deity is not referred to in any way that might be less than holy and pure and is lowered to the level of humanity. Upbeat Christian contemporary music is allowed and WELCOMED!***

**Upbeat secular music is allowed** as long as it meets the criteria mentioned above; however, we do ask that you not use **ANY** portion of a song if the song in its entirety does not fit the above guidelines (i.e. using a verse of a song in your mix with acceptable words but the chorus has unacceptable lyrics). The reason for asking this is so that we do not come across as endorsing either the artist or the song when it is recognizable to the audience. This would be detrimental to the testimony of CCA and will not be allowed. **PLEASE NOTE!** Songs will be considered on a case by case basis. If you are unsure of the status of any song, artist and/or lyrics, contact the CCA office. **NOTE: *You are responsible to verify that all songs used in your music are licensed and fulfil copyright laws.*** CCA is not responsible for the playing of unlicensed music. CCA music used at events is licensed through ASCAP, CCLI and the specific producer.

### MOVES

No moves done during music or non-music parts of your routine shall have lewd or suggestive movements. **No pelvic thrusts**, body waves and/or rolls, extreme hip gyrations or **upper body movements** that have sexual connotations. No bending with bottom facing audience allowed. No sticking out tongue or any facial expressions or movements of a sexual nature. If there is any doubt at all that your routine **moves** are not in line with this policy, you should send a video to the Competition Director at the CCA offices ONE MONTH ahead of competition date for approval. ***NOTE: The Moves Rules will be STRICTLY ENFORCED.*** It has been brought to our attention that some moves may have been missed in the past; however, going forward if there are obvious violations they will be identified by judges. CCA WILL BE VERY STRICT in enforcement of this policy. **Violations of the MOVES policy will result in DISQUALIFICATION without refund.**

### DRESS

CCA dress code is **modesty**. Length of skirt can be determined by your own school or all star program's dress policy. Competition judging will not be done in regard to skirt length. Modesty in undergarments is critical. Please be sure that undergarments cover properly and supportive sports bras are worn. **No bare midriff uniforms or practice outfits are allowed for any age school, empower or allstar teams.** Tank top type tops are allowed, but no completely bare shoulders. Tops should be modest and not extremely low cut or brief. If you have any question about tops or other clothing, in order to meet the dress code, it is suggested that body suits be worn under any questionable tops. Skirts should be long and loose enough for modesty, even when stunting, jumping and tumbling. Skirts must completely cover all undergarments, hips, etc. when standing. Violations will result in requiring uniforms or practice clothes to be changed and may even result in a disqualification without refund.

I have read and understand (and my team and parents have read and understand) the music and moves policy of all CCA events. I understand that any violation of this policy, at the discretion of the judges and competition officials, will result in DISQUALIFICATION without refund of any money. I accept that policy as part of agreement for the privilege of competing in a CCA event and will not question these policies as they are a part of the Christian testimony of CCA.

# CHRISTIAN CHEERLEADERS OF AMERICA

## SPRING FLOOR WAIVER FORM

*This form is needed for any CCA Competitions held on a spring floor.  
This includes the **CCA Christian Cheer Nationals and Collegiate Championships**.*

**ONLY** Schools, Empower, College and Dance Teams as well as Mascots, Solos, Duos, Trios and Stunt Teams must sign this waiver. **All Star teams are not required to sign.**  
Coach signature required, including certification of notification to both participants and parents.

-----

I understand that a 54'x42' spring floor will be used for CCA cheer competitions for All Star as well as School, Empower, College and Dance teams and Mascot, Solos, Duos, Trios and Stunt teams.

I understand the differences in a regulation spring cheer floor vs. a foam bonded regulation cheer floor and agree to allow my team /individuals to compete on the spring floor. *I understand that the medical release/liability waiver signed by parents is also extended to all competition on this floor. I understand that by signing this form I am extending this liability to cover competition on a spring floor.* I understand that my team will be offered the option of a short, scheduled walk- through/tumbling/practice time on this performance floor itself, as well as a practice tumble strip in order to get familiar with landings and footing on this floor ahead of the actual performance time.

By the signature below, I am willing for my team to compete on this spring floor. I certify that I have notified all participants as well as all parents of this situation and have secured a verbal agreement from them with their acknowledgement that this information is considered part of the medical release/liability from they signed. All coaches must sign this waiver before teams are allowed to take the floor.

**NOTE:** National Federation Spirit Rule 2 - General Risk Management, Section 1, Article 8 "use of mini-tramps, springboards, spring assisted floors or any other height increasing apparatus is not permitted for use during performances and/or competitions. This rule is the reason for this waiver. Actually the spring floor provides additional support and safety for landings and provides very little height increasing (none in stunts/very little in jumps and tumbling). There is actually an advantage to a spring floor for competitors. We provide the opportunity for practice on both the performance floor as well a tumble track in the warm up area to prepare the competitor for the floor if not accustomed. **Safety is ALWAYS our # 1 priority.**

# Cheer Scholar Nomination

## Understanding the CCA Cheer Scholar Program

*It is important to reward and recognize these young athletes for their academic achievement as well as their cheerleading skills. It is certainly admirable to be involved heavily as an athlete, including the time and effort required. To also be recognized for outstanding academics is worthy of high recognition and praise.*

*The CCA Cheer Scholar program at Nationals recognizes every athlete who maintains a 3.0 or above GPA based on a 4 point system and a 4.0 or above based on a 5 point system. Coaches should nominate every single qualified athlete for this award. When announcements are made, we don't want any deserving athlete to be overlooked. And of course, neither do their parents. Here are some things you should know before submitting these nominations:*

- 1. Every single athlete from K-5 to Seniors is eligible. Coaches and authorized school officials should convert letter grades for lower elementary and junior high to comparable GPA numbers.*
- 2. All Athletes will be recognized and rewarded on the mat immediately after their first team performance. They will be called out individually for recognition.*
- 3. Junior and Senior athletes will be awarded a packet of scholarship awards from several Christian colleges who are a part of our scholarship program. Some are cheerleading scholarships and require securing a team position. Others are academic scholarships that require admission to the college or university as well as specific ACT or SAT scores. More than \$1,000,000 in awards have been available in the past if all the awards were used.*
- 4. On the final day of awards, the very highest GPA is recognized in the awards ceremony in Elementary, Jr High/ Freshman and Senior High categories. If there are ties in the elementary or the JH/Freshman category, the recipient in the highest grade that was submitted first and the team fees paid will receive the award at this ceremony.*

**PLEASE COMPLETE THE FORM BELOW, HAVE A SCHOOL OFFICIAL SIGN TO VERIFY AND SUBMIT TO THE CCA OFFICE NO LATER THAN Feb 5, 2022. NO FORMS WILL BE ACCEPTED AFTER THAT TIME.**

**NOTE:** You may give us a typed spreadsheet listing your entire team's names, grade in school, GPA and team they are to be announced with including division and then submit the form by Feb 28, 2022.

**Dear Christian School Principal/Administrator Allstar Gym Owner/ Empower Director:**

We are glad to give you this opportunity to nominate your Cheerleading Coach for the title of NATIONAL CHRISTIAN CHEERLEADER COACH OF THE YEAR! Each year a coach is selected for this honor and many others are chosen as runners-up. This award will be presented at the NATIONALS WELCOME CELEBRATION EVENT.

This year the event will be held at the Crown Coliseum Complex in Fayetteville, NC on Friday, March 4, 2022 for school and empower teams and March 6, 2022 for allstar teams in conjunction with the CCA Christian Cheer Nationals. Cheerleaders and Coaches from Christian schools from about 20 states have attended the Awards Celebration in the past several years when the winner is named.

There is no charge to nominate individuals for Coach of the Year. You will find a nominating form for your use in nominating a particular individual for this honor on the back of this letter. Please share this with your Athletic Director or anyone else who would like to have a part in this nomination. **THIS NOMINATING FORM IS DUE IN THE CCA OFFICE BY JANUARY 15, 2022.** A high-quality 5X7 photo or school photo of the nominee should be included with the nomination form.

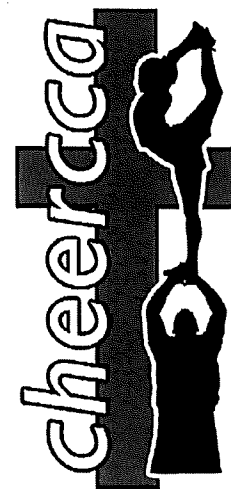

In addition to the Coach of the Year Award, more than \$1,000,000 in college scholarship money for specific Christian colleges and universities is available and awarded to Cheer Scholars who have excelled academically and meet college criteria. Your Cheer Coach has been sent forms to nominate cheerleaders for these awards. Please check with her if you have deserving young people that you would like to see be given this opportunity.

If you have any questions about either of these awards, please call the CCA office. Thank you for your support of Christian cheerleading.

**Sincerely in Christ,  
With something to CHEER about,**
