

# HOTEL INFORMATION FOR ALL CAMPS

We do not have Room Blocks at these hotels. We have checked the area, the distance and the legitimacy of each of these hotels when publishing this information. We are not responsible for changes to the hotels by the time you book. This is for your convenience and to give you a head start. All these hotels have inside rooms, free breakfasts, elevators and are within a 15-20 minute distance from the camp venue. Each team handles all the booking and rooming of their individual athletes. We have not included hotels for our residence camps because of the available dorm housing. If you want to be a commuter at these camps, give us a call at 336.749-0892 and we will assist. If you need early arrival in the dorms, there is an additional early night charge when available. Please let us know.
