CCA COMPETITION PHILOSOPHY

Our Philosophy

We believe competitions are about much more than rankings, trophies, and championship titles. Every event is an opportunity to encourage, inspire, and develop young athletes in an environment where Christian values, sportsmanship, leadership, and teamwork are celebrated.

Our mission is to create competitions that honor excellence while emphasizing the importance of character. We believe the lessons learned through cheerleading extend far beyond the competition floor. Every performance, every challenge, every success, and every disappointment presents an opportunity for athletes to grow in perseverance, humility, discipline, integrity, and respect for others.

Our Purpose

- To foster an atmosphere where athletes, coaches, families, and spectators experience encouragement, fairness, and genuine Christian hospitality. We strive to provide professionally organized events that uphold the highest standards of safety, integrity, and excellence while reflecting the love of Christ in every interaction.
- To honor and give pre-eminence to the Lord Jesus Christ in all activities and events.
- To offer affordable competition with individual and team rewards and with nationals, the opportunity to be awarded college scholarships. (available at Nationals only).
- To influence lives. We hope every athlete leaves our competitions having grown not only as a cheerleader but also as a leader, teammate, and person of strong character.
- If we can inspire athletes to pursue excellence, serve others with humility, and honor God in all they do, then our events have accomplished a purpose far greater than awarding championships.
- To provide an atmosphere where athletes feel valued, families are encouraged, and coaches are supported.

Our Professionalism

- All rules, costs, judging sheets and competition guidelines will be distributed to participants in advance of all competition events.
- All music must meet the guidelines in accordance with the CCA Music, Moves and Dress policy, which may be found on the CCA website (www.cheercca.com). All music should have proper legal licensing. If there is a doubt about music, it should be submitted one month in advance to information@cheercca.com in an mp3 or .wav format. Music not meeting the guidelines will result in not being able to be used at the competition event at all and no refund given. All routines must also follow the other rules in the MMD policy.
- AllStar teams must abide by The Open Championships guidelines/safety or United scoring/USASF safety rules. Besides the required team spotters, the event producer will provide floor spotters in accordance with liability requirements and for additional safety (optional at request of AS coaches).
- All events will be held on an official cheer foam bonded floor. Nationals performance floor and tumbling strip warm-up will be held on a regulation spring floor. Performance floors will be 54' X 42'. Stunt team, solos, duos and trios as well as dance teams will be held on the same floor. Mat time rehearsal will be allowed as well as warm up on another floor or partial floor. A spring floor is only provided at CCA Christian Cheer Nationals.
- Competition admin will provide experienced, certified safety, deduction, building, jumps/tumbling, and overall judges as well as timekeepers and announcers. All judges must certify that they are not connected with any participating school/team in any way to avoid any semblance of impropriety.
